

POTENTIAL CLIENT

Marketing Manager Melissa

? CHARACTERISTICS

- **Authoritative expert in digital and social marketing**
- Knows what she's looking for
- Focused on proving the data behind each strategy

? NEEDS & GOALS

- Narrow her list of potential agencies
- Learn how to surpass her competitors
- Find relevant reports and research
- **Develop a clear roadmap for achieving her business objective**

BARRIERS

- Limited investment budget in digital marketing
- Information overload with agency sites and their content
- Expects an agency with exact industry/vertical focus

? COMMON WEBSITE TASKS & PAGES

- About Us
- Services Overview
- **Service Detail**
- **Leadership**
- Blog Posts
- Resource downloads

? QUESTIONS THEY'LL BE ASKING

- Who is BI?
- What does BI do?
- Who is their leadership?
- What is it like to work with BI?
- Can BI solve my problem?
- **Do they have relevant experience in my industry? And of my size?**
- What other clients have they had that I've heard of? What do they say?

JOB TITLES

- Marketing Manager
- Director of Marketing

THE SCENARIO

Wants to find a digital agency that can provide specific and relevant examples of past clients who have faced similar challenges to hers

"I want to find an agency that can get my company ahead of the curve."

JOB TITLES

- CMO
- VP of Marketing

THE SCENARIO

Wants to find an agency who understands the complexity of my unique business problem and solution so I can begin a long-term partnership with them.

“True partnership is important - I’m looking for a partner, not a vendor”

POTENTIAL CLIENT

Decision-Maker Darren

CHARACTERISTICS

- **Tight business network**
- Susceptible to in-person impressions
- Active member of C-suite peer groups

NEEDS & GOALS

- **Wants to validate credibility of top agencies on the list**
- Wants to talk to other BI clients to validate references
- A short-list of agencies to choose from

BARRIERS

- Trusts his industry network and peer recommendations more than the website
- Limited time to get a feel for agencies
- Limited time for valuable face-to-face interaction

COMMON WEBSITE TASKS & PAGES

- About Us
- Services overview
- **Industry relevant content**
- Challenge-related thought leadership

QUESTIONS THEY’LL BE ASKING

- What is the price range?
- How long have they been in business?
- **Do they have relevant experience in my industry? And of my size?**
- What other clients have they had that I’ve heard of? What do they say?
- **Can I build a consistent, long-term relationship with BI?**
